Boston Rounds (LDPE)

Product	Description	Neck Size (mm)
R005T5	5cc white, boston round, bead neck	15/415
R010T5	10cc white, boston round, bead neck	15/415
R010U5	10cc white, boston round, no bead	15/415
R015T5	15cc white, boston round, bead neck	15/415
R015U5	15cc white, boston round, no bead	15/415
R030T5	30cc white, boston round, bead neck	15/415
R030U5	30cc white, boston round, no bead	15/415

Oblong (HDPE)

Product	Description	Neck Size (mm)
O040E4	40cc white, oblong bottle	28/400
O060F4	60cc white, oblong bottle	33/400
O075F4	75cc white, oblong bottle	33/400
O090G4	90cc white, oblong bottle	38/400
O100G4	100cc white, oblong bottle	38/400
O125G4	125cc white, oblong bottle	38/400

Square (HDPE)

Product	Description	Neck Size (mm)
S020E4	20cc white, square bottle	28/400
S040E4	40cc white, square bottle	28/400
S060F4	60cc white, square bottle	33/400
S100G4	100cc white, square bottle	38/400
S120G4	120cc white, square bottle	38/400
S150G4	150cc white, square bottle	38/400

Cylinder

Product	Description	Neck Size (mm)
C003Y5	3cc white, cylinder bottle	8/425
C010X2	10cc white, cylinder bottle, crimp neck	13
C030B4	30cc white, cylinder bottle	20/415
C060C4	60cc white, cylinder bottle	24/410
C250C4	250cc white, cylinder bottle	24/410

Calmar (HDPE)

Product	Description	Neck Size (mm)
K075F4	75cc white, round bottle, calmar neck	33
K100G4	100cc white, round bottle, calmar neck	38
K120G4	120cc white, round bottle, calmar neck	38

Snap (HDPE)

Product	Description	Neck Size (mm)
R100S4	100cc white, round bottle, snap neck	38
R150S4	150cc white, round bottle, snap neck	38
E180S4	180cc white, round bottle, snap neck	38

Peroxide Bottles

Product	Description	Neck Size (mm)
E120Q4	120cc white, peroxide bottle	24/400
E250Q4	250cc white, peroxide bottle	24/400
E500Q4	500cc white, peroxide bottle	24/400

Caps (Polypropylene)

**We manufacture caps in 38mm
and 53mm sizes with a variety of liners.*

Medioplast

Excellence in Manufacturing

Our bottles are produced in a state of the art manufacturing facility located in Ontario, Canada. Designed to meet the stringent specifications of the pharmaceutical industry, our plant is FDA registered and recognized by a variety of regulatory bodies in Canada, Europe, and the United States.

- 24 hours a day, 7 days a week continuous production
- Advanced methods of plastic technology (injection, injection blow, and extrusion blow molding)
- Capacity to produce bottles in a wide variety of shapes, sizes, resins, and colors
- Computerized warehouse

Total Quality Management

Medioplast is recognized for manufacturing consistent, high quality, safe, and cost-effective products. Our Quality Assurance Department rigorously tests our products to ensure that our customers always receive superior quality packaging.

- Certified to ISO 9001:2000
- Drug Master File number available upon request

50A Steinway Blvd., Etobicoke, Ontario M9W 6Y3
