INNOVATION

BRINGING A NEW PRODUCT TO MARKET?

CUSTOM DESIGN

CBM can take a concept sketch through the design phase, solid modeling, prototyping, and mold manufacturing prior to readying it for production. We are leaders in packaging innovation and are driving trends in the industry with

our chrome, soft touch, and specialized coatings for both bottles and closures. We will collaborate with you to make sure the end product you receive meets your exact specifications. **CBM** can take your idea from concept to commercialization within 8 weeks.
